TO WHOM IT MAY CONCERN

Bachelor's degree research project

This is to confirm that Mr Marius Meyer from Allendorf, Germany, has completed a placement at MedTech West and the Department of Radiation Physics. Mr Meyer was in attendance from 2018-09-03 until 2018-12-21, working on the research project ***Visualizing anatomical labels on brain images: developing a multi-purpose display method.***

Yours faithfully

Rolf A. Heckemann
